06-18-2014 - ASM co-sponsor of the NEBFM Show & Conference at BCEC on June 18-19

May 15, 2014 - Construction Design & Engineering

ASM is a co-sponsor of NEBFM 2014 on June 18-19 at the Boston Convention & Exhibition Center. This is NEBFM's 9th year in Boston, and for good reason: there are over 360 exhibitors, and a full educational conference that features one-hour, informative talks on topics of particular interest to those in the facilities management and construction industries, including LEED, building commissioning, construction & renovation planning, and more. Attendance is free, and ASM will be exhibiting in Booth #636.
