Jewett Metal Buildings & Steel Erectors complete 28,500 s/f Cinemagic movie theater

June 12, 2014 - Front Section

Jewett Metal Buildings & Steel Erectors (JMB), working under PM Construction, recently completed construction of the new Cinemagic movie theatre complex on Lafayette Rd. JMB erected 28,500 s/f of structural steel, constructed the stair tower, installed handrails and guardrails, and prepared the base metal decking for roof installation. Regent Associates, Inc. was the architect on the project.

JMB, a division of Jewett Construction Co., Inc., is a member of the Metal Building Contractors and Erectors Association, Steel Fabricators of N.E., and the Steel Erectors Association of America. The firm provides professional, pre-engineered metal building sales, installation and consulting, erects structural steel, and provides welding and miscellaneous metals work to clients in N.E.
