Wm. M. Hotchkiss awarded management contract for 57 units

June 19, 2014 - Connecticut

The Wm. M. Hotchkiss Company, based in New Haven, was recently appointed as managing agent for the Baybrook Arms, Inc. Located at 41 Jones Hill Rd., this 57-unit cooperative was constructed in 1967, and includes both 1 and 2-bedroom units. The facility is built on 1.97 scenic acres and is situated on the West Haven shoreline, just steps from beaches and quaint restaurants and retail.

"This is an excellent opportunity for our organization," said Richard Coote, president. "We are able to offer immediate assistance to unit owners in maximizing both their quality of life and property values as we draw on our wealth of association management experience"
