Bistro 22 opens at Garden City Center

June 26, 2014 - Retail

Garden City Center welcomes Bistro 22, an "inspired cuisine" restaurant with a fresh, modern look and a twang of southern comfort in their signature lunch, dinner, and cocktail menus. Brothers Carlo and Gennaro Slaughter opened their latest restaurant near ModMama and across from Anthropologie.

Dishes are infused with southern- appeal from gourmet selections to the classic burger.

Gennaro led the construction renovations, building and designing the exterior, as well as interior of the restaurant. Think modern, French farmhouse décor; natural wooden floors, dark wood furnishings, crisp white walls, old school lighting features, and a granite bar. The clean, bright look invites the food to speak for itself.
