16th Annual IREM Golf Tournament and Tennis Charity Event

August 01, 2014 - Owners Developers & Managers

Please join us and 128 other real estate professionals at our 16th Annual Golf Tournament and Tennis Charity Event being held at the granite Links Golf Club in Quincy, Mass. on September 8. For those of you who are not golfers we have golf lessons from 4:30 - 5:30 p.m. at our Golf Clinic. This year tennis has been added to the agenda at The Weymouth Club. We will all meet for dinner after at Granite Links Golf Club. Dinner tickets are included with your fee for golf, tennis or the clinic. Dinner tickets can also be purchased separately. There will be great raffle prizes and a silent auction. Prizes include a car for a hole in one.

A portion of the proceeds from this event will benefit the following charities: Ellie Fund, International Fortitude Crohn's, Gloria Gemma Breast Foundation and South Shore Mental Health.

Our industry partner, Creative Resources Group (CRG) will be on hand filming some of you in action. The screening of footage will take place during the dinner reception. CRG provides the highest quality video production for the web and for television commercials, as well as web design and development, social media, graphic design, media planning and purchase, and corporate event production. However, their primary strength is in developing and managing strategic advertising programs integrating all of these elements.

David Barrett is director of operations at Crowninshield Management Corp., and the 2014 president of IREM Boston.
