The Randall Family of Companies ranks among top U.S. real estate firms

August 07, 2014 - Rhode Island

The Randall Family of Companies, has made the REAL Trends 500 list which ranks the nation's top residential real estate companies. The Randall Family of Companies, which includes Randall, Realtors, Kinlin Grover and Page Taft, ranked number 134 in sales volume with more than \$1.1 billion in sales last year and number 214 in sales activity with 2,874 closed transaction sides in 2013. Last year marked the second consecutive year that the company achieved more than \$1 billion in sales.

The 2014 REAL Trends 500 is a compilation of a nationwide study of leading residential real estate companies. The study is conducted by REAL Trends, a research, publishing and communication company located in Denver serving the information needs of the residential real estate industry. This year's survey represents the most comprehensive collection of data assembled on the leaders of the residential brokerage industry. Numbers are documented by outside accounting firms.

"It's an honor to once again be ranked among the top residential real estate companies in the country," said Douglas Randall, CEO of the Randall Family of Companies.
