TFMoran, Inc. promotes Rice, Lamb and Denoya to senior level positions

August 14, 2014 - Front Section

TFMoran, Inc. has recently promoted three engineers to senior level positions:

Christopher Rice has been promoted to senior project manager. Rice has over 15 years experience in civil engineering and is responsible for the management and engineering design of private, public and municipal land development projects.

Thomas Lamb, PE has been promoted to senior structural engineer. Lamb has over 10 years experience in structural design, analysis, and construction administration of residential, public and commercial buildings throughout New England.

Joaquin Denoya, PE has been promoted to senior structural engineer. With more than 9 years experience, Denoya specializes in structural design, analysis, and construction administration of residential and commercial buildings throughout New England, N.Y. and NJ.
