Glastonbury office of Parsons Brinckerhoff participates in Relay for Life

August 14, 2014 - Connecticut

Employees from Parsons Brinckerhoff's Connecticut office participated in the American Cancer Society's Relay For Life in Glastonbury held recently at the town's Riverfront Community Center. This was the fifth consecutive year Parsons Brinckerhoff has been a corporate sponsor of the event. "This year our corporate team raised over \$2,800 to help support the American Cancer Society, and I am grateful to see such dedication and enthusiasm among our employees and their families," said Anthony Moretti, vice president and area manager of Parsons Brinckerhoff's Glastonbury office and a longtime resident of Glastonbury.

The American Cancer Society Relay For Life gives communities across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease.
