August 14, 2014 - Construction Design & Engineering

The Associated Builders & Contractors Leadership Conference will be held on Nov. 11-13 at Eden Roc Miami Beach.

ABC's Leadership Conference is one of our three annual conferences focused on developing effective leaders. Attendees will share lessons learned, discover new ways to encourage business growth, and build relationships with industry peers.

Features include:

Chapter Leadership Institute

This annual conference is exclusively for ABC chapter leaders! Current and upcoming board members are invited to attend this conference to network with fellow chapter leaders and share best practices for running an ABC chapter.

Peer Group Conference

Beginning this year, this annual one-day conference will be held in conjunction with ABC's Leadership Conference and will offer construction professionals education designed to help them better better operate their businesses.

Career Fair

We are bringing qualified candidates interested in internships and full-time employment to meet with our ABC member companies. The best of the best will be here!

Construction Management Competition (CMC)

ABC's Construction Management Competition (CMC) is a hallmark competition that promotes careers in construction management. Come prepared to have fun, challenge other students, and demonstrate your ability to think on your feet.

Attorney's Conference

ABC's Attorneys Conference gives you the opportunity to advance your legal knowledge and share ideas with peers from across the nation.
