Jewett completes work for Xpress Natural Gas

August 21, 2014 - Front Section

Jewett Construction Co. has completed work on a new compressor station for Xpress Natural Gas, LLC. Designed by Apex Engineering, the project includes a 2,044 s/f pre-engineered metal building, canopy, and custom-designed gutter system erected by the Jewett Metal, and the fit-up of the building's interior office space, bathroom, work shop area with electrical room, and a control room to run the onsite equipment.

Jewett Construction Company, Inc. is a Raymond, NH-based design-build/construction management firm specializing in commercial and industrial projects throughout the Northeast. Collectively, their clients include such well-known organizations as SIG SAUER, LAARS Heating Systems, NH Motor Speedway, First Colebrook Bank, and the Grappone Automotive Group. Additional information is available at www.jewettconstruction.com.
