Brady Sullivan has plans to make a number of immediate improvements to the property including painting of the exterior, updating signage, renewing the landscaping, and renovating the common areas.

"We're thrilled to expand our footprint into the commerce section near the Manchester Airport, which is really thriving. For a while we've had our eye on expanding our portfolio near the airport and this has provided an excellent opportunity. We look forward to hitting the ground running with our improvements and leasing activity," said owner, Arthur Sullivan.

Space is currently available for lease from 5,000 s/f up to 38,000 s/f.
