Integrated Builders begins 40,000 s/f construction project for CTM Group

September 04, 2014 - Northern New England

Integrated Builders, a firm specializing in general contracting and construction management services, has begun construction on a 40,000 s/f space for CTM Group Inc. (CTM) at 9 Northeast Blvd. The project is valued at \$800,000.

Integrated Builders superintendent Bob Mooney will team with project manager Sean Burgess on the work which includes a 12,000 s/f corporate headquarters for CTM with the remainder of the building being utilized as production space for the company.

The construction project will include demolition as well as structural, masonry, and glass work. Finishing work will consist of the installation of a sprinkler and fire alarm system, plumbing, electrical, and a new HVAC system throughout the facility to help make the building more energy-efficient.
