Santos Becker joins CBRE as vice president for retail services

September 18, 2014 - Connecticut

According to CBRE's Westchester/Fairfield County office, Nina Santos Becker has joined the firm as VP for retail services. Becker brings nearly a decade of retail leasing experience to her new role. She'll handle retail leasing for both Fairfield and Westchester Counties for CBRE.

Her appointment was announced by Robert Caruso, senior managing director of CBRE's Westchester/Fairfield County operations.

"We're thrilled to add Nina to our roster of professionals because we know that, given her background, she'll continue to grow exponentially our retail practice in Westchester and Fairfield. Nina's abilities will add to the services that we're able to offer retail clients in both counties," said Caruso.

"CBRE is the global leader in real estate services and investment, so I couldn't be happier about bringing my retail experience here," said Santos Becker.
