## **10-06-2014 - ASM's showcase event features over 20 leading GCs and CMs**

September 18, 2014 - Construction Design & Engineering

On Monday, Oct. 6 ASM hosts an event that happens only once every two years - our much-anticipated "GC Showcase" - which brings together the region's leading general contractors and construction managers, all in one room, to meet and talk with owners and executives of the state's top subcontracting firms.

This year's event features more than 20 GC and CM firms who represent virtually every market sector, in both public and private work. Participating firms include Bond, Commodore, Consigli, DOC, JM Coull, Gilbane, Shawmut, Suffolk, Walsh Brother, among others. All will have team members on hand from Purchasing, Estimating and Business Development, who will be available to answer questions, explain company prequalification procedures and talk about upcoming projects.

The event takes place at the Sheraton Framingham from 4:00 to 7:00 PM. For more information contact ASM.
