October 23, 2014 - Front Section

Jewett Automotive Design & Construction, a division of Raymond, NH-based Jewett Construction Company, Inc., has completed renovations to the RH Long Motor Sales Cadillac dealership on Turnpike Rd. The project consisted of installing 600 s/f of decorative stone veneer panels over the existing façade of the service building. All work was done while the dealership was in full operation, requiring special care and coordination to avoid disruption to the client's business.
