Milestone completes Plymouth branch for Bank of New Hampshire

November 06, 2014 - Northern New England

Milestone Engineering & Construction, Inc. has completed the local branch for Bank of New Hampshire.

The branch includes a teller line, drive-up window, private offices and a conference room. The exterior is a brick veneer with PVC detail trim for low maintenance.

The wood work was installed by Milestone's craftsmen. The architect for the project was Dennis Mires, PA, The Architects of Manchester.
