What was your greatest professional accomplishment in 2014? - Bob LiMandri of Vidaris, Inc.

December 24, 2014 - Spotlights

With the recent addition of several other code staff, Vidaris has launched a code advisory service. Our expertise draws from over 100 architects and engineers with deep knowledge of use, egress, occupancy, bulk, fire safety and energy analysis. This great accomplishment will allow Vidaris to assist building owners and architects with navigating the ever-complex regulations of building code, multiple dwelling and zoning laws. This service is available for not only New England, but nationwide wherever the International Building Code (IBC) has been adopted.
