What was your greatest professional accomplishment in 2014? - John Connor of Vantage Builders

December 24, 2014 - Spotlights

Vantage Builders was fortunate during the year to have welcomed a number of very talented new team members, at all levels of the company. And each person is contributing to our success. Our team is the strongest it's been in its more than 15 years of existence. And we've never been better positioned to service our commercial, educational, medical, retail and life sciences construction clients. We're looking forward to hitting the ground running in 2015.
