December 24, 2014 - Front Section

CBRE/New England's Capital Markets team announces the sale of Village Green, a 56-unit, garden-style apartment community, for \$10,027,430. CBRE/NE's multifamily experts Simon Butler, executive vice president/partner, and Biria St. John, executive vice president/partner, exclusively represented the seller, Village Green Residential, LLC, an affiliate of Omni Properties, LLC, and procured the buyer, OGR Tewksbury, LLC, an affiliate of Ocean Gate Realty Adviser, LLC.

"We are pleased to have executed this transaction on behalf of the seller," said Butler. "Village Green represents an outstanding initial apartment investment for Ocean Gate and marked a successful investment for our client having developed the community in 2008."

Built in 2009, Village Green is located at 1535 Main St. The community consists of one four-story garden-style building over a garage with a mix of 12 one-bedroom apartments and 44 two-bedroom apartments on approximately 1.37 acres of land.

The apartments range in size from 840-1,218 s/f with an average size of 1,088 s/f. The community is part of a larger master-planned development including the Shoppes at Village Green, a 30,000 square foot retail center.
