DeStefano Architects welcomes Lahar as project coordinator

December 31, 2014 - Northern New England

According to DeStefano Architects (D|A), PLLC, Mitchell Lahar was recently hired as a project coordinator for the firm.

Lahar holds a Master of Architecture degree from the Wentworth Institute of Technology. He was previously employed at Black River Design Architects, PLC in Montpelier, Vt. and has hands-on experience working with finish carpenters.

Lahar's previous experience in residential design will assist the firm, including D|A's custom waterfront and lakefront homes. His background in small commercial work will lend valuable contribution to the firm's portfolio of restaurants, retail, industrial and mixed-use design.
