Road King Technologies to expand into FirstPark

December 31, 2014 - Northern New England

Road King Technologies of Montreal, Canada is expanding its U.S. operations to FirstPark. Road King Technologies manufactures and distributes fleet management / GPS tracking systems that, by design, are adaptable to the needs of almost any vertical market or client. Road King is currently certified on the AT&T Network and is in the process of certification with Verizon.

Road King TRAC18 proprietary software provides an easy-to-use suite of cloud-based data collection, visualization, and data archiving tools to provide unparalleled insight to fleet managers.
