Blondeau joins Metro Walls as project manager

January 15, 2015 - Construction Design & Engineering

According to Mike Dion, president of Metro Walls, Mark Blondeau has joined the Metro Walls team as a project manager.

Blondeau joins Metro Walls with more than 18 years in the construction industry to include commercial, industrial and residential project management experience. His qualifications focus on all aspects on the job site to include customer service, job and material scheduling plus acting as liaison with all contractors on the project.

As a project manager with Metro Walls, Blondeau will be responsible for all the day-to day operations on job sites. His training and education includes CAD Institute, Construction Certification Institute, Inc.
