2014 Boston Society of Architects Design Awards

February 19, 2015 - Construction Design & Engineering

The Boston Society of Architects (BSA) named the winners of the 2014 BSA Design Awards.

The categories included healthcare facilities design awards; housing design awards; small firms design awards; unbuilt architecture and design; honor awards for design excellence; Harleston Parker Medal; and the People's Choice Award, selected among the Harleston Parker Medal finalists. Other awards included the Earl R. Flansburgh Young Architects Award, recognizing the achievements of an architect under the age of 40, and the BSA Award of Honor, which is given to individuals whose lifetime contributions to the profession and to the BSA have been uncommonly profound.
