March 05, 2015 - Front Section

NAI Global, one of the world's largest, most powerful networks of owner-operated commercial real estate firms, earned the fifth spot in the 2015 Lipsey Survey of Top 25 Commercial Real Estate Brands. The survey was conducted among 100,000 commercial real estate professionals using a combination of ballot voting, phone interviews and focus groups to evaluate innovation, responsiveness and quality of service. NAI Global is the only commercial real estate network of independently owned and operated firms represented among the top five. The survey is conducted by The Lipsey Co., a leading training and consulting firm specializing in the commercial real estate industry.

"On behalf of the entire NAI Global organization, I am very proud that our success is reflected by our industry peers in this year's ranking," said Jay Olshonsky, SIOR, president, NAI Global.
