President's message: Thank you to all of the many sponsors

March 19, 2015 - Connecticut

At this time, I would like to thank the many 2014 Annual Sponsors for their continued support of Southern CT BOMA. By being an annual sponsor, you have helped us put together monthly programs and networking events. These events allow all members of Southern CT BOMA the opportunity to learn more about their industry and to network with some of the finest commercial real estate professionals in the area.

I encourage all members to thank these sponsors at the meetings and to recognize their contribution to the association. I also would like to encourage all member companies to take a sponsorship for 2015. Showcase your company: recognition is given to all sponsors on the monthly luncheon flyers, on the poster board that is brought to all meetings, and recognition from the president in the opening remarks at meetings.

Don't forget to mark your calendar for the Mid-Atlantic Conference that Southern CT BOMA is hosting on April 29th, 30th and May 1st at the Stamford Marriott. BOMA members from Boston to D.C. will be attending and the MAC committee is hard at work planning both educational sessions and networking socials.
