North Branch Construction awarded Laconia Fire Station project

March 19, 2015 - Construction Design & Engineering

North Branch Construction has been awarded a contract to complete the renovation of the Laconia Fire Station. Construction will include the renovation of approximately 13,200 s/f of the existing two-story CMU block frame building and the addition of a 13,000 s/f, two-story steel-frame concrete deck with brick façade.

Construction will be complete by December. Design was provided by Warrenstreet Architects.
