04-08-2015 - The Association of Energy Engineers of New England to hold 5th Annual Energy Products & Services Show - April 8

March 26, 2015 - Front Section

The Association of Energy Engineers of New England (AEENE) will hold its 5th Annual Energy Products & Services Show on April 8 from 3 to 7:30 p.m. at the Embassy Suites Hotel, 550 Winter St.

This year's show will feature over 35 exhibitors from many of the region's leading energy services companies and professionals, and 6 workshops. This event will provide first-hand interaction with cutting-edge solutions that reduce operating costs and covering a broad array of building types and systems.

* **ADMISSION:** Includes entry to the exhibit floor, multiple workshops (all with qualified CEU credits), dinner buffet/appetizers and cash bar.

* **REGISTRATION:** Register at www.aeenewengland.org AEE Members and guests: \$49. Register before April 3 at the Early Bird Discount rate: Members \$39, Non-members \$44.

* **WORKSHOPS:** No additional fee or pre-registration required. When registering, please indicate your preference of workshops (workshops will run two at a time).

Visit www.aeenewengland.org to register today at www.aeenewengland.org/meetinginfo.php.

Schedule:

3:30 - 4:30 p.m.

* Mass DOER'S "Building Asset Rating" Pilot presented by Rob Morrow, project executive, The Weidt Group.

* High-Efficiency Transformers Retrofit presented by Chris Pimentel, northeast regional manager, Powersmiths.

5 - 6:00 p.m.

* How to Identify and Analyze Refrigeration Energy Saving Opportunities presented by Emre Schveighoffer, president, National Resource Management, Inc.

* Lighting Control Systems: What Professionals Need to Know presented by Ray Urban, senior associate, Goody Clancy.

6:30 - 7:30 p.m.

* Advanced Building Performance Diagnostics: Detecting Failure & Predicting Performance in Building Systems & Equipment presented by Sam Deptula, project manager, B2Q Associates, Inc.

* Low Ambient Heating and Cooling with Variable Refrigerant Flow (VRF) presented by Chris Ouellette, area manager, Mitsubishi Electric.
