Hudon joins Bowerman Associates as senior project manager - design-build services

April 09, 2015 - Rhode Island

Bowerman Associates has hired Leo Hudon as senior project manager, design-build services. Hudon joins Bowerman with more than 20 years in the construction industry. His role lies in the planning, developing, organizing and supervision of the design and construction efforts for the total project. Hudon is also responsible for overseeing and supporting the internal/external design process, and for facilitating and sustaining both the prime contract and subcontract processes.
