What 5 words would you use to describe how you got to where you are now: Drive, innovation, ethics, loyalty, and ambition.

First job outside of the industry you are in now: My first job was working in a deli where I was hired at age 13. I pointed out and later streamlined their inventory and back office labor tasks.

First job in the commercial industry: I started off working alongside my family in real estate development.

What do you do now and what are you planning for the future: I plan on continuing to grow EAC Commercial and providing outstanding commercial real estate services to my clients

How do you unwind from a busy day at work: Spending time with family and enjoying every moment life has to offer.

What object can you not live without: I would be lost without my iPad/iPhone.

Favorite movie or show: "Suits"

Favorite song and artist: Billy Joel, "Vienna Waits For You"

If you knew then what you know now, what would you tell yourself: It's worth it.

One word to describe your work environment: Invigorating

Rules to live by in business: Surround yourself with the best in their fields, always over deliver, do not outsmart your common sense, and remember that it takes a lifetime to build a good reputation and a moment to destroy it.

If you could invite one person to dinner (living or dead) who would it be and where would you go: George Washington, The White House

What is your dream job: business consultant
