Kuchibhotla joins Parsons Brinckerhoff

April 16, 2015 - Construction Design & Engineering

Ravi Kuchibhotla has been named a senior supervising electrical engineer in the local office of Parsons Brinckerhoff.

In his new position, Kuchibhotla will serve as a project technical lead and direct the preparation of design documents for electrical power distribution systems on infrastructure and facilities projects.

Kuchibhotla has more than 30 years of electrical engineering and facilities engineering and construction experience with all types of facilities in various companies including General Electric, IBM and others. Prior to joining Parsons Brinckerhoff, he was a senior electrical/energy engineer with a New York consulting firm, responsible for implementing energy conservation measures and designing electrical power systems at educational facilities, commercial buildings, and utility plants.

Kuchibhotla received a master of business administration from St. John's University and a bachelor of engineering from Andhra University in Waltair, India. He is a registered professional engineer in the states of New Jersey, Massachusetts, Connecticut, and Rhode Island. He is a life senior member of the IEE Power & Engineering Society.
