Silver City Galleria welcomes Round One Entertainment

May 21, 2015 - Retail

Round One Entertainment has joined as the newest addition to Silver City Galleria. Round One Entertainment is an entertainment venue offering fun for the entire family. This unique 60,000 s/f complex will offer bowling, arcade games, fully equipped karaoke rooms, pool, darts, ping pong and a full-service restaurant.

"We are very excited about the addition of Round One Entertainment in 2015," said general manager, John Ecklund. "This concept will be Round One's first in the region and will offer our customers another great dining and entertainment option."

Additionally, work on a newly remodeled and modernized Regal Cinema complex is set to begin this year and will be completed by the end of the year. This multi-million dollar renovation will include luxurious leather recliners in every theater, updated lighting, floor & wall coverings, concession area, the addition of a full service bar, new box office & ticket kiosks as well as an expanded entrance facing center court. The renovation will create a brand new experience for movie goers.

Over the past year, Silver City Galleria has spent extensive time and capital working on interior renovations to enhance the customer's shopping experience. Customers can now relax in new leather couches at soft seating areas while enjoying the mall-wide free Wi-Fi. An improved food court with new furniture and fixtures, including a beautiful floor-to-ceiling fireplace offers a warm, cozy place to relax and enjoy a meal. The food court restrooms have been renovated featuring new modern tile designs, oak doors and trim, bathroom fixtures, a family bathroom and a carpeted nursing room. New energy efficient lighting and air conditioning units have been added to brighten the common area and offer a comfort controlled climate, while new center court escalators offer easier access to both floors, and new interior and exterior directional signage will help direct customers where they want to go.

"The Regal Cinema remodel and expansion, the addition of Round One as an additional entertainment anchor, and our extensive mall improvements demonstrates Silver City's commitment to offering customers an exceptional shopping experience. We plan to announce more exciting additions this year," said Giancarlo Carriero, SVP leasing.

With a reputation for design, quality and integrity, Dallas-based The MGHerring Group has developed more than 30 major shopping centers and regional malls in the United States and Mexico, totaling more than 25 million s/f of retail space.
