Metcalf joins BVH Integrated Services as project manager

June 18, 2015 - Construction Design & Engineering

Richard Metcalf has joined BVH Integrated Services, P.C., as a project manager. Based in BVH's office, Metcalf is a mechanical engineer with over 30 years of experience, including work in the commercial, educational and municipal markets. Metcalf is currently managing BVH's mechanical and electrical design of the United Technologies Research Center's renovation and expansion project in East Hartford.
