Brady Sullivan Properties completes 3 leases in Nashua totaling 18,900 s/f

July 02, 2015 - Northern New England

Brady Sullivan Properties has welcomed three new business tenants to two of its properties in Nashua: 131 Burke Street and Vantage Point. These three transactions total 18,900 s/f.

New England Brickmasters and Metro Walls found new homes at 131 Burke St. The Nashua location marks the brick and masonry company's expansion into New Hampshire, which now occupies 3,000 s/f of warehouse garage space. Metro Walls has established itself at Burke St. with 13,500 s/f of warehouse space. Both companies join longtime tenant Lewis and Clark. Charles Panasis and Benjamin Kelley of Brady Sullivan Properties are responsible for these new transactions.

J&M Fitness, better known as Curves, will be leaving its Broad St. location, and relocating to Vantage Point at 3 Bud Way. The health and fitness company will be occupying 2,400 s/f, which they will convert to a gym and pilates studio. This will be Curves' first relocation in 12 years. They will move into their new home in the middle of this month, and will be joining Foundation Armor at Vantage Point. This new tenant relationship was a combined effort by Chris Norwood of NAI Norwood Group and Elizabeth Sachetta of Brady Sullivan Properties.
