LCB Senior Living celebrates groundbreaking of 84 units

July 02, 2015 - Northern New England

LCB Senior Living, LLC broke ground on The Residence at Salem Woods, an 84-apartment independent, assisted and memory care residence for seniors at 6 Sally Sweet's Way.

The community is located within easy proximity to the town's many attractions and amenities. It is also across the street from Salem's Senior Center. The Residence at Salem Woods will feature a host of amenities and services, including an onsite gourmet restaurant that will allow residents to dine on their own schedules, comfortable living rooms and a library, media room, recreation facilities, outdoor sitting and walking areas, and many others.

"Salem is a wonderful location for us," said LCB chief executive officer Michael Stoller. "The combination of natural beauty and access to all of the wonderful resources that the area has to offer is truly unparalleled."

The project is currently in lease-up phase, and is scheduled to open in the spring of 2016.
