July 09, 2015 - Front Section

According to Auburndale Realty Co., its principal, Rob Nahigian, FRICS, SIOR, CRE, MCR, was appointed by the Mass. Real Estate Licensing Commission/Real Estate Board to its education subcommittee. Nahigian received a confirmation letter from associate executive director Ann-Margarette Barry to inform him of the appointment. The education subcommittee reviews and recommends to the state's executive director and associate executive director the continuing educational requirements to remain a real estate licensed salesperson and/or broker. The education subcommittee also recommends the hours required for educational requirements for all licensing issues and approves any new courses submitted by the public for review. They make recommendations to the course content and outline format both for residential and commercial real estate licensing practitioners. Nahigian will be serving as the representative involved in commercial real estate. He has been periodically working with the education subcommittee since 1998 and in the last 4 years has developed voluntarily and submitted over 34 CE commercial courses.

Barry indicated that the members of the Real Estate License Board expressed their sincere thanks and deep appreciation to serve the board and help to ensure that licensed real estate agents deliver quality assistance to their clients and customers in a professional manner. Nahigian's service will also enhance the ability of the board to protect consumers in the Commonwealth in the practice of real estate brokering. Nahigian will be serving a one year term.
