IFMA Boston New Member Spotlight:

August 06, 2015 - Owners Developers & Managers

Dave Madson, although trained as an architect, has been focused on workplace interiors for the last decade. Madson's passion and curiosity for great design has allowed him to work on a variety of project scales over his 18-year career at CBT, where he is a principal.

Andrea Dilesio is the operations manager at the Twitter office in Cambridge, Mass. Dilesio graduated from Wentworth Institute of Technology with a degree in facilities planning and management.

Charles "Chuck" Agro is an independent consultant at Kalos Designs. Agro is a highly experienced management professional in the healthcare industry, taking his knowledge of health and human services and applying them to space planning and design. He is attending Boston Architectural College, pursuing a masters of Interior Architecture degree. In addition, Agro has successfully completed several residential and corporate interiors, improving flow and functionality.
