Best New Workplace Large Renovation

>50,000 s/f

Havas/Arnold Worldwide Boston Headquarters: Recognized for selecting a neighborhood, and a building, with rich history, and in so doing, fueling its revitalization. As the anchor tenant in the iconic 1912 Daniel Burnham Filene's Building in Downtown Crossing, Arnold and its four other Havas brands occupy 125,000 s/f. Intent on rethinking space and real estate holdings, the entire staff went to bench seating, reducing square footage needs by over a quarter. A collaborative design effort between Architect, Developer, and employees is worthy of note as it created a win-win for Havas, as well as, future tenants.
