Mansfield Crossing welcomes new tenants

August 27, 2015 - Retail

Mansfield Crossing has expanded its tenant mix with the openings of Comcast Xfinity, b.good, and The Paper Store.

"We're thrilled to welcome these new businesses to our existing line-up of stores & restaurants," said Christina Barrows, marketing & operations coordinator of Mansfield Crossing. "Their presence will reinforce our goal of providing a great and convenient offering to our customers."

Details on the 2015 openings at Mansfield Crossing are listed below:

* Comcast Xfinity opened August 24 next to Gamestop. Customers will be able to explore Comcast's latest TV, Internet, voice and home innovations in a completely reinvented and interactive environment.

* B.good will introduce itself next to Yankee Candle. The quick service restaurant has been serving locally-raised, house-ground burgers hand-cut fries and sweet potato fries, all-natural shakes, and fresh salads since 2004. Living by the philosophy of "Real. Food. Fast," b.good prides itself in producing fast-food "real" by making it the way it should be - by people, not factories.

* The Paper Store will be taking over the space between Chico's and LOFT in late September and will provide a one-of-a-kind shopping experience where customers can discover cards, gifts and more to celebrate all of life's special occasions. With brands like Hallmark, Chamilia, Vera Bradley and more.
