Wise Const. completes 10,000 s/f for Biogen

May 15, 2008 - Construction Design & Engineering

Wise Construction Corp. has recently completed the renovation of 10,000 s/f of office space at Biogen Idec's 10 Cambridge Center.

The phased project involved the renovation that included structural upgrades to an office space for the legal department, the creation of a secure high density file storage area, conference rooms and improvements to food service areas.

Design was provided by Signer Harris Architects.
