Fernandes Masonry stars in Extreme Makeover Home Edition

May 15, 2008 - Construction Design & Engineering

Congratulations to ASM member Fernandes Masonry for being selected to be part of the Extreme Makeover team that completely rebuilt the Maynard home of Paul and Renee Giunta this spring to make it handicapped-accessible for Paul, who had been severely injured in a car accident the night one of his children was born. Fernandes Masonry did all of the stonework on the project, which was extensive. The program aired on Mother's Day, May 11.
