Levy joins Jewett Const. as project manager

March 17, 2017 - Construction Design & Engineering

Duane Levy, Jewett Construction

Raymond, NH Duane Levy has joined Jewett Construction as project manager. Levy brings with him 34 years of project management experience in the construction industry.

Prior to joining Jewett, Levy managed the construction of retail development projects, hotels, medical and dental facilities. Of his 34 years of construction, 24 of those have been in the field, giving him a great understanding of the construction management process from all perspectives.

As a Jewett project manager, Levy works closely with owners, designers and subcontractors to ensure that projects run smoothly, while providing the highest quality work and an unmatched emphasis on safety. He said, "I enjoy the challenge of design-build construction. It gives me the opportunity put my personal stamp on each project and it is always rewarding to see the end result."

Jewett Construction, an official Butler Builder, is a family-owned design-build/construction management firm specializing in commercial, automotive and industrial projects throughout the Northeast. Jewett's trademarked and innovative 4EverSafe program guarantees that safety is the number one priority on the jobsite. Jewett's many repeat clients include The Herb Chambers Companies, SIGSAUER, The Bean Group, and the Exeter Area YMCA.
