Ferguson and Gabalski promoted at Lothrop Associates

April 21, 2017 - Connecticut

White Plains, NY Lothrop Associates LLP, an award-winning full-service architecture and interior design firm, has promoted two new associates: Glenn Ferguson and Robert Gabalski, AIA.

Ferguson has been a leader and Technical Director of the firm's Trace Pool Design. He has more than 30 years of extensive experience in the design, production and construction administration of pools, water features and spas.

Gabalski has led the firm in the project management of their municipal and restoration/renovation work. He has a rich history and knowledge of historic preservation, restoration, adaptive reuse, reconstruction, and bringing their "green" initiatives to new levels for sustainable projects.

These promotions recognize their leadership, experience and long-term dedication to the firm.
