ASM sponsors NEBFM 2017 trade show

May 19, 2017 - Construction Design & Engineering

Boston, MA ASM is proud to again be an association sponsor at the Northeast Buildings & Facilities Management (NEBFM) Show and Conference on June 14 & 15 at the Boston Convention & Exhibition Center, as well as exhibiting in booth 641.

This year's show will feature over 200 exhibitors promoting their products and services necessary for the operation, management and maintenance of commercial buildings and facilities in the greater New England region. Running concurrently with the trade show is an educational conference featuring 36 individual accredited one-hour talks covering today's hottest trends such as sustainability, facility management, CHP, energy management, and other innovative technologies.

The NEBFM show has helped ASM and our member companies build numerous relationships with key industry personnel, and we expect this year to be no different!

If you haven't signed up to exhibit or attend, we encourage you to do so at www.nebfm.com
