Maltz Auctions to auction 193,000 s/f Mill Complex in Norwich

June 16, 2017 - Connecticut

Norwich, CT Maltz Auctions, a full-service auction company serving the New York Metropolitan region, will auction – in multiple offerings – the 193,000 s/f Mill Complex, formerly the home of Atlantic Packaging Group, LLC, located at 359-387 North Main St. on June 21. The auction will begin at 11 a.m., with registration commencing at 10 a.m., on-location at the site.

“Any prospective owner would truly be buying a piece of history. Although Atlantic Packaging had been on the site since 1917, the former cotton mill the business occupied, dates back to 1842,” said Maltz Auctions’ president, Richard Maltz. “With nearly \$900,000 invested in this property over the past 11 years, there is an opportunity to buy great space at a rock bottom price. There is unlimited potential for this property.”

Maltz Auctions is a full-service auction company specializing in creating liquidity through the auction method of marketing. Now a \$100 million company with an impeccable reputation for professionalism, integrity and success, Maltz Auctions has conducted thousands of auctions and generated over \$2 billion in sales on behalf of such clients as the U.S. Bankruptcy Courts and financial institutions throughout the country, the U.S. Department of Justice, the Securities and Exchange Commission, the Internal Revenue Service, N.Y. State Department of Taxation & Finance, Court Appointed Receivers, Estate Executors and Public Administrators, as well as law firms, private individuals and corporations, nationwide.

Maltz Auctions is court approved to act as auctioneers, real estate brokers and receivers. The 35-year-old firm is nationally recognized as a trusted name in excellence and achievement.
