DeStefano & Associates completes 3,000 s/f interior fit-up in Dover

July 07, 2017 - Northern New England

Dover, NH DeStefano & Associates, Inc. completed the interior fit-up of 3,000 s/f consisting of employee support area and offices at the newly constructed Stonewall Kitchen warehouse off of Mast Rd. DeStefano & Associates, Inc. (DAI) has a long design and construction history with Stonewall Kitchen beginning in 2001. DAI was the appointed construction manager for Stonewall Kitchen's headquarters campus in York, Maine, built over phases consisting of offices, retail, production, and four warehouses.

Founded in 1991 by partners Jonathan King and Jim Stott, the two established themselves selling jams and jellies at local farmers' markets, fairs and festivals with their flavorful line of distinctive and high quality food items. Over time, they expanded their product line to include sauces, condiments, dressings and baking mixes. Today, Stonewall Kitchen is known for its innovative product development, packaging, retail spaces and customer service. It now boasts more than 6,000 wholesale accounts nationwide and internationally, thriving catalog and web divisions and 10 retail company stores along the East Coast.
