Annual membership meeting and awards dinner a great success

July 21, 2017 - Connecticut

Hartford, CT ?Thanks to all for attending the annual membership meeting and awards dinner. The event was a great success in many ways. It was an honor to celebrate member achievements in service and years of membership milestones. An acceptance speech from Larry Dooley of Colt Gateway and Partners reinforced the mission and values the Construction Institute was founded on, collaboration!

Finally, the attendance was one of the highest for this event in a few years. It was a great evening to meet new people and catch up with well known friends and colleagues.

Thank you to the table sponsors: BBE, Pratt & Whitney/UTC, JCJ Architecture, Fortunato Construction Group and Turner Construction Company. Also, we would like to thank F + F Mechanical for always supporting student initiatives without hesitation. All of the generosity of these firms will send two students of the National Organization of Minority Architects University of Hartford chapter to the national conference in Texas.
