Lafrance Hospitality wins award from Marriott International

August 18, 2017 - Front Section

Littleton, MA Lafrance Hospitality recently received an award from Marriott International for the successful opening of their Courtyard Marriott hotel in Littleton. Marriott International awarded Lafrance Hospitality a “Best Opening” Award, honoring the company at Marriott International’s best Courtyard hotel opening company-wide since January 2016.

Marriott sets strict standards for opening a hotel, encompassing factors related to construction, staffing, pre-sales, and operational procedures. The Best Opening award encompasses the hotel’s pre and post-opening successes including pre-bookings and guest service scores, among other fiscal measurements and property goals. Lafrance Hospitality was proud to accept this award from Marriott as the company achieved and exceeded all goals set by Marriott, and exceeded the results of other similar hotel operators who have opened Courtyard hotels since late 2015. The “Best Opening” award is awarded to hotel operators who have set a precedence of meeting goals, and setting an example of successful hotel operations.

Lafrance Hospitality president and CEO, Richard Lafrance, and Vice president hotels, Timothy Burkhardt, accepted the award at the 2017 Marriott International Owners conference at the JW Marriott Los Angeles L.A. LIVE.

The international event, held every eighteen months, brings owners and hotel professionals together to discuss the brand’s initiatives, goals, and new product offerings for the next operating cycle.

This is the second time Lafrance Hospitality has been honored with a Best Opening award. They received a similar award for the successful opening of their TownePlace Suites hotel in Wareham, Massachusetts at Marriott International’s last conference in 2015. “We are honored to be recognized again by Marriott as having the best Courtyard opening company -wide,” said Richard Lafrance. “This is the second time we have won this award, and we couldn’t have done it without the hard work from our hotel team. They met all project deadlines, exceeded sales goals, and ensured the hotel was ready to serve our guests from the moment it opened.”
