IFMA Boston Committee Chairs

September 01, 2017 - Owners Developers & Managers

Committee involvement is a special member benefit of membership to the Boston Chapter and the best way to create relationships and a network. If you are interested in learning more about a particular committee contact the office and they will connect you with the appropriate chair. Some committees need volunteers to help with on-going work while others welcome short term volunteers for small projects. Whether you've lots of time or an occasional hour to spare, your involvement is welcome and encouraged!
