CREW Boston chapter past president

Partner

DLA Piper LLP (US)

What recent honor, achievement or recognition has meant the most to you and why: I concluded my term as president of CREW Boston on June 30. It was a privilege and an extreme honor to lead the 500+ CREW Boston members and to help guide the organization through its first year of a new strategic plan.

I am proud to be so connected to an organization that provides opportunities to women that are unmatched by other real estate industry groups, and that serves both new entrants into the industry and more seasoned members as they navigate the complex business environment and ascend to the highest ranks of their firms.
