Whelan of NorthMarq Capital arranges \$4.06 million refinancing

October 06, 2017 - Northern New England

Mark Whelan, NorthMarq

Hudson, NH Mark Whelan, vice president of NorthMarq Capital's Boston regional office, arranged refinancing of \$4.06 million for a 36-unit multifamily property. The transaction was structured with a 10-year term on a 25-year amortization schedule. NorthMarq arranged financing for the borrower through its relationship with a regional bank.

"We were very pleased to secure favorable terms from a portfolio lender for our client on this legacy asset," said Whelan. "The lender held the sub-4% rate for an extended period in a volatile market, enabling our clients to avoid a costly prepayment penalty."
